Long-Term Care Insurance Option Ending

Enroll by December 31st to receive coverage

The Plan’s provider of long-term care insurance, John Hancock, has decided to stop issuing group policies. We regret this action but it is part of an industry-wide retreat by carriers from the long-term care insurance business. They have found that the economics of continuing to underwrite group policies would demand higher premiums than most customers could consider paying.

What does this mean to you? If you already have long-term care insurance through the Plan, your coverage will not be affected. If you’re interested in signing up for coverage, you have until the end of the year to apply. If you became a Plan participant after December 31, you are not eligible.

It makes sense to take a look at your present and future needs for long-term care insurance before this option goes away because group policy rates can be significantly lower, especially for people with existing medical conditions. The current SAG-PHP policy offers particularly broad coverage, including participants, dependents, parents and grandparents.

If you decide that long-term care insurance is right for you, please contact John Hancock and request an enrollment kit. Call toll free at 800-543-7108 or go online at group.jhancock.com. All applications must be postmarked by December 31, 2011 in order to be considered for policy coverage.

Understanding Mental Health Coverage Changes

A quick reminder as we come to the end of the year that your mental health/substance abuse coverages changed at the beginning of 2011.

Here's a quick look at how that may affect you:

Who's eligible?

Plan I participants receive mental health and substance abuse coverage. Plan II does not offer this coverage.

Can I use a non-network provider?

You can choose to go to a non-network provider for mental health/substance abuse treatment *only* for *outpatient* care. All higher levels of care, such as intensive outpatient, inpatient and residential *must* be delivered by a network provider to be covered.

How do I submit a mental health/substance abuse claim?

Submit all claims to ValueOptions. Call them at 866-277-5383 for more information. ValueOptions pays all eligible mental health/substance abuse claims, including outpatient non-network treatment.

More questions? Call us at 800-777-4013 and we'll be happy to answer them for you.

Notice of Availability of HIPAA Privacy Notice

This notice explains how your private health insurance information is used by the Plan and your rights under HIPAA.

You can find the Plan's HIPAA Privacy Notice on the Plan's website or you may request a copy by contacting the Plan Office.
